1. Stephanie A. Tenney, Respondent, holds a content substitute certificate of license to teach issued on September 9, 2013, and is set to expire on September 9, 2017. Respondent's certificate was current and active at all times material herein. (Petitioner's Exhibit 2) (Transcript page 9, line 7–page 11, line 9).

Stephanie Ann Tenney*, Case No. 14BB-CR00577. On or about March 29, 2014, Respondent operated a motor vehicle while under the influence of alcohol, failed to slow when approaching a stop sign, and injured three (3) people. (Petitioner's Exhibit 3) (Transcript page 11, line 23–page 12, line 7).

(Petitioner's Exhibit A) (Transcript page 16, lines 7–23).
7. On or about May 27, 2014, a telephone hearing was held by the Missouri Department of Revenue (Revenue) at Respondent's request to decide if there was probable cause to believe Respondent was driving with a blood alcohol level over the legal limit. 9. On January 27, 2016, a hearing was held before Kristen A. Morrow, designated Hearing Officer. The Respondent was present and was represented by counsel. (Transcript page 5, lines 2–24).

Conclusions of Law

1. The conviction of Stephanie A. Tenney, Respondent, of Assault 2nd Degree, is a Class C Felony pursuant to Mo. Rev. Stat. § 565.060 (Supp. 2006). Section 565.060 states:
 1. A person commits the crime of assault in the second degree if he: ...
 - (4) While in an intoxicated condition or under the influence of controlled substances or drugs, operates a motor vehicle in this state and, when so operating, acts with criminal negligence to cause physical injury to any other person than himself.

2. This charge was set for hearing and notice was served on Respondent in compliance with the requirements of Mo. Rev. Stat. § 536.067 (2000).

3. The Missouri Supreme Court has defined “moral turpitude” as:

An act of baseness, vileness, or depravity in the private and social duties which man owes to his fellowman or to society in general, contrary to the accepted and customary rule of right and duty between man and man; everything ‘done contrary to justice, honesty, modesty and good morals’. In re Frick, 694 S.W.2d 473, 479 (Mo. banc 1985).

4. Mo. Rev. Stat. § 168.071.1 (1) (Supp. 2014) provides the following authority to the State Board of Education:

The state board of education may refuse to issue or renew a certificate, or may, upon hearing, discipline the holder of a certificate of license to teach for the following causes: (1) A certificate holder or applicant for a certificate has pleaded to or been found guilty of a felony or crime involving moral turpitude under the laws of this state, any other state, of the United States, or any other country, whether or not sentence is imposed;

5. In *Brehe v. Missouri Department of Elementary and Secondary Education*, 213 S.W.3d 720, 725 (Mo. App. W.D. 2007), the court classified crimes into three categories:

- Category (1) is “crimes that necessarily involve moral turpitude, such as fraud.”
- Category (2) is “crimes so obviously petty that conviction carries no suggestion of moral turpitude, such as illegal parking.”
- Category (3) is “crimes that may be saturated with moral turpitude, yet do not involve it necessarily, such as willful failure to pay income tax or refusal to answer questions before a congressional committee.”

6. In *Department of Health v. Young*, No. 99-1392 DH, September 9, 1999, the Administrative Hearing Commission concluded that because 2nd Degree Assault is a Category 1 crime necessarily involving moral turpitude.

7. Based upon the notice of hearing and the documentation of Respondent’s conviction, the State Board of Education, pursuant to Mo. Rev. Stat. § 168.071 (Supp. 2014), is authorized to suspend or revoke any certificate or claim of certification held by Respondent.

Recommendation

Respondent pled guilty to three counts of felony assault in the 2nd Degree. Three people were injured, though none seriously, when she failed to stop her vehicle at stop sign after an afternoon and evening drinking at a winery. Respondent pled guilty to a felony, which by itself authorizes the State Board of Education to discipline her certificate. Further, she acted with criminal negligence – a Category 1 crime that necessarily involves moral turpitude.

As noted in the findings, Respondent appeared at her hearing and was represented by counsel. Her testimony proved credible. She acknowledged she had been drinking, took responsibility for her actions, and demonstrated remorse. She has met or is in the process of meeting all of her conditions of probation. A risk assessment of Respondent, requested by the Warren County court and conducted by Missouri Probation and Parole, deemed her “a good risk” based on her lack of a criminal background, no history of substance abuse, and other factors in her favor. Respondent remains a teacher in good standing at a private high school.

Respondent’s substitute certificate of license to teach expires on September 9, 2017. It is recommended the State Board of Education take no action against her certificate.

Submitted this 28th day of March, 2016, by the
designated Hearing Officer for the Commissioner
of Education.

HEARING 1/27/2016

<p style="text-align: right;">Page 5</p> <p>1 PROCEEDINGS</p> <p>2 (Hearing started at 10:06 A.M.)</p> <p>3 HEARING OFFICER MORROW: This hearing is in the</p> <p>4 matter of Department of Elementary and Secondary Education</p> <p>5 versus Stephanie A. Tenney and has been designated Hearing</p> <p>6 No. 15-033. This hearing is being held pursuant to</p> <p>7 Section 168.071 of the Revised Statutes of Missouri which</p> <p>8 authorizes the State Board of Education to suspend or</p> <p>9 revoke certificate of license to teach if the certificate</p> <p>10 holder has pleaded to or been found guilty of a felony or</p> <p>11 crime involving moral turpitude under the laws of this</p> <p>12 state or any other states of the United States or any</p> <p>13 other country whether or not sentence is imposed.</p> <p>14 Administrative rules adopted by the State Board</p> <p>15 of Education pursuant to this statute authorizes the</p> <p>16 Commissioner of Education to designate a Hearing Officer</p> <p>17 in these matters. My name is Kristen A. Morrow and I've</p> <p>18 been designated to hear this case. Unless otherwise</p> <p>19 provided under Section 168.071, this hearing is being held</p> <p>20 pursuant to the procedural rules of Chapter 536, the</p> <p>21 Administrative Procedures Act.</p> <p>22 Let's let the certificate holder -- let's let</p> <p>23 the record show that the certificate holder Stephanie A.</p> <p>24 Tenney is present at the hearing and is represented by</p> <p>25 counsel, Patrick Coyne. And let's let the record also</p>	<p style="text-align: right;">Page 7</p> <p>1 OPENING STATEMENT BY MR. COYNE:</p> <p>2 So -- but my opening statement would be that on</p> <p>3 March the 29th, 2014, Miss Tenney made a major error in</p> <p>4 judgment and it's the only one that she's made in her</p> <p>5 exemplary life up until this age. She was with a friend</p> <p>6 and they were drinking in Warren County. There is a</p> <p>7 winery out there and she was driving and came to a stop</p> <p>8 sign and rear-ended two people.</p> <p>9 The -- in her car, her friend, who is still her</p> <p>10 friend today, she had a cut on her face. She was holding</p> <p>11 a wine glass and cut her face. The other two passengers</p> <p>12 didn't suffer any injuries where they had to have any</p> <p>13 hospitalization or anything like that. They did hire</p> <p>14 lawyers and settled a personal injury suit and I think</p> <p>15 that's in there, too. They hired Brown & Crouppen as a</p> <p>16 firm in St. Louis and settled, I think, one for seven and</p> <p>17 one for around \$4,000. So soft tissue, no real injuries.</p> <p>18 The problem is when you are drinking and driving</p> <p>19 and you get involved in an accident and someone's injured,</p> <p>20 any type of injury, the statute reads physical injury,</p> <p>21 then it can be upgraded from a B misdemeanor to a Class C</p> <p>22 felony and, because of that, Stephanie was charged with</p> <p>23 three Class C felonies out of Warren County.</p> <p>24 That's where I come in. I do criminal defense,</p> <p>25 that's what I do. I don't do these kind of board</p>
<p style="text-align: right;">Page 6</p> <p>1 show that Curtis Schube is present on behalf of the State.</p> <p>2 Okay. And with that introduction, then, Mr. Schube, I</p> <p>3 will let you begin with your opening statement.</p> <p>4 MR. SCHUBE: All right. Make a short one.</p> <p>5 OPENING STATEMENT BY MR. SCHUBE:</p> <p>6 This is a case about a teacher, Stephanie</p> <p>7 Tenney, who pled guilty to three counts of a Class C</p> <p>8 felony of second degree assault. Miss Tenney was accused</p> <p>9 of operating a motor vehicle while under the influence of</p> <p>10 alcohol and acted with negligence while failing to slow at</p> <p>11 a stop sign.</p> <p>12 As a result, Miss Tenney caused injury to</p> <p>13 Kimberly Burge, Jamie Sansone and Amy McGhee. Each count</p> <p>14 is a felony and an act of moral turpitude. Accordingly,</p> <p>15 Miss Tenney is subject to discipline of her three teaching</p> <p>16 certificates pursuant to Section 168.071.1(1) RSMo.</p> <p>17 HEARING OFFICER MORROW: Okay. Thank you,</p> <p>18 Mr. Schube. Mr. Coyne.</p> <p>19 MR. COYNE: First, I'd like to apologize. This</p> <p>20 was set up in October. She had sent me an e-mail. I</p> <p>21 didn't see it, I did not know, did not enter my</p> <p>22 appearance. So I'm sorry for putting the Tenneys out and</p> <p>23 if you were all present, I'm sorry for putting you guys</p> <p>24 out, too. It was all on me, had nothing to do with them,</p> <p>25 they were here.</p>	<p style="text-align: right;">Page 8</p> <p>1 hearings. I'm doing this because I know her family and</p> <p>2 because I represented her through that criminal process.</p> <p>3 She received a recommendation from the</p> <p>4 prosecutor of an SIS, which means a suspended imposition</p> <p>5 of sentence, which means no conviction in Missouri. It is</p> <p>6 a plea of -- it is a plea to the crime, no doubt. What</p> <p>7 she's been afforded is, if she can make a probationary</p> <p>8 period of two and a half years -- she's on a five-year</p> <p>9 probation, but if she can make a probationary period of</p> <p>10 two and a half years doing all of her conditions, no other</p> <p>11 involvement with the law, then she can get an early</p> <p>12 release from probation. There's something called Earned</p> <p>13 Compliance Credit in Missouri that would allow that.</p> <p>14 So Miss Tenney, because of that, she did blow a</p> <p>15 .092, but again, .08 is our standard and because of that</p> <p>16 and because it did occur, there was no reason to have a</p> <p>17 trial. She was not taking a conviction. We knew that</p> <p>18 this would come into play. And she pled to those charges.</p> <p>19 So that's where she sits right now.</p> <p>20 She's still with Barat Academy. We've given</p> <p>21 that after the opening. We'll submit those here in a bit</p> <p>22 and her life is great but for that one poor decision that</p> <p>23 she made.</p> <p>24 HEARING OFFICER MORROW: Okay. Thank you,</p> <p>25 Counsel. Okay, Mr. Schube, you may present your case.</p>

You've brought a number of documents. 18 I'd like to introduce these documents now as a batch, if 19 we could. And we've got them marked as our Exhibit No. 1. 20 HEARING OFFICER MORROW: A. 21 MR. COYNE: A, sorry, A. 22 Q. (By Mr. Coyne) And these documents, if you could 23 go over -- I think we have them in the order that we had 24 placed them in the file. I'm just going to let Stephanie 25 explain what each document is, if that's okay. Go ahead.</p>	<p style="text-align: right;">Page 16</p> <p>1 grades that I achieved at Webster University, which 2 included the time of the accident all the way up through 3 December of 2014 when I graduated with my Master's. And I 4 put that in there because I wanted to show you all that I 5 was able to maintain a good grade point average while 6 managing this issue that was going on in my life. 7 The next document shows time served or a part of 8 my conditions of probation. The next piece is actually 9 considered an SAR. I'm trying to remember what the -- 10 Q. Stands for Sentencing Assessment Report. 11 A. Assessment report, yes. Thank you. This was 12 done by Robert Porter, who works in the office of 13 probation and parole, and basically what it does is 14 assesses my risk and whether I'm a good risk factor or a 15 bad risk factor and, according to him, I sit in a good 16 risk range. 17 Q. If I could at this point, a Sentencing 18 Assessment Report the courts do. I don't know if they do 19 it in this county much, but basically it's a 20 recommendation to the judge if you're going to plead 21 guilty, the judge wants a report of a little bit who you 22 are. And so that report is prepared, it was prepared for 23 Judge Dalton in Circuit 12. 24 A. The next sheet is from the Missouri Department 25 of Revenue which says that no action regarding my case</p>

4 (Pages 13 to 16)

<p style="text-align: right;">Page 17</p> <p>1 will be taken against my driving privilege. This was from 2 June of 2014. It just says that the evidence was 3 insufficient to find that the concentration of alcohol in 4 my blood was at or above the limit required.</p> <p>5 Q. And if I could comment on that. When you 6 receive a driving while intoxicated, there are two sides. 7 There's a criminal side, then there's a civil side with 8 your license through our Department of Revenue. The 9 Department of Revenue can take your driver's license. We 10 did a hearing on that. We won that hearing. It was 11 basically a BAC curve, you know, we still had a plea of 12 guilty to it even though we did not lose our driver's 13 license.</p> <p>14 A. The next document is also from the Department of 15 Revenue which furthers the information that Mr. Coyne just 16 gave you and states that the issue at the hearing is to 17 decide if there is probable cause to believe while you 18 were driving with a blood alcohol level over the legal 19 limit.</p> <p>20 And then the next document is the police report, 21 which includes just information about the test that was 22 done on site as well as the tickets that were given, the 23 times of the incident and different injuries. The ticket 24 originally stated DWI and that was issued on March 29 of 25 2014. This is particularly important just for</p>	<p style="text-align: right;">Page 19</p> <p>1 the police report shows -- we thought it would be best 2 that you guys see exactly what happened and the 3 understanding that there's a civil standard on the 4 driver's license, which we won at that level. At the 5 circuit level in the criminal case, we decided to plea 6 because the conditions were there and we were drinking. 7 We always admitted that we were.</p> <p>8 She did do some conditions of probation. One 9 includes time served, that one document. They made her go 10 to jail in Warren County. Warren County is a very tough 11 county. Stephanie has never been in trouble in her life. 12 Traffic ticket -- did you even have a traffic ticket 13 maybe? Two traffic tickets. Okay.</p> <p>14 She had to go to jail. You know, I couldn't get 15 the judge to do any less than that and the reason being is 16 in Warren County, if you drink and you drive and someone 17 gets hurt, even at a low level, even if it's your friend, 18 they're going to -- there's a punitive aspect to it and 19 the courts there are extremely tough. And so she had to 20 experience that, also.</p> <p>21 The SATOP program is -- you go in, you get 22 evaluated and they determine which of three general 23 classes to put you in. She got evaluated as the low risk 24 and did the lowest level, the Offender Education Program, 25 that's what that last document was.</p>
<p style="text-align: right;">Page 18</p> <p>1 informational purposes of when I actually received the 2 statement saying that there was going to be a repercussion 3 for this. On the back side of that is just the 4 maintenance report that talks about the maintenance of the 5 blood alcohol tester. And the document for the blood 6 alcohol tester is along with that that actually states my 7 blood alcohol level at the time, which was .092.</p> <p>8 The officer's narrative is also included in that 9 document, so the narrative of the information that he 10 observed and gained from me at the time of the accident. 11 Again, the ticket is listed. The road conditions are also 12 listed. An image of the accident is included in this.</p> <p>13 There's also a page that talks about the 14 Offender Education Program, which is actually a program 15 that is completed by anyone who is charged with a DWI, 16 correct, which includes SATOP which is the Substance 17 Abuse --</p> <p>18 Q. Traffic Offender's Program.</p> <p>19 A. Traffic Offender Program, thank you, yes. I was 20 assigned the lowest level and completed that a week ago. 21 So that's complete and that's what these documents are 22 just telling you is that I've been assigned a SATOP 23 program at a level and that I've completed that.</p> <p>24 Q. So if we could, if I could just briefly explain 25 some of these documents, the Alcohol Influence Report or</p>	<p style="text-align: right;">Page 20</p> <p>1 So again, I think for Miss Tenney, she did -- 2 she had to do a whole lot to rehabilitate herself with 3 herself, with the courts and everything and she's 4 completed all those. As far as Miss Tenney goes, is there 5 anything you'd like to tell the Board?</p> <p>6 A. I just wanted to, first of all, apologize for 7 the mistake that I made and the fact that we are sitting 8 here today. I regret every day what I've done and wish I 9 could take it back, but it's -- as much as I regret it, 10 it's a very good learning experience. It's taught me a 11 lot about understanding and empathizing with other people, 12 which I feel like really helps me in the classroom.</p> <p>13 I have students who are going through several 14 different things. I have some students that are really 15 struggling and because of this experience, I'm able to 16 empathize with them and kind of help them and guide them a 17 little bit better.</p> <p>18 And I -- as I was going through all of this with 19 my case, I still maintained good grades, I still managed 20 to graduate from Webster University with my Master's 21 degree and was still able to complete student teaching. I 22 also have gainful employment at a wonderful private 23 school. I absolutely adore the school that I work at and 24 I love what I do, otherwise I wouldn't be sitting here. 25 I did make a very, very big mistake, though, and</p>

HEARING 1/27/2016

<p style="text-align: right;">Page 21</p> <p>1 I realize that and I'm doing everything I can to try and 2 make up for that mistake. And some of these documents are 3 evidence of that, that I'm doing my best to try and pay my 4 debt back to society while still maintaining the job that 5 I absolutely love to do.</p> <p>6 The next step that I am hoping to accomplish is 7 to try and create a program to help my students understand 8 that there are consequences of their actions and the 9 school that I'm currently working at is actually helping 10 me to figure out when a good time to develop this program 11 would be to teach students about the consequences of 12 drinking and driving.</p> <p>13 And I'm actually thrilled for that because I'm 14 able to give back and protect the students that I work 15 with because of this bad mistake. And even if only one of 16 them listens to me, that's one student that I'm making a 17 difference with. So there are a lot of good things that 18 have come out of this as well as some bad things and I 19 accept both sides of that.</p> <p>20 HEARING OFFICER MORROW: Do you have any more 21 questions for her?</p> <p>22 MR. COYNE: I don't think so.</p> <p>23 HEARING OFFICER MORROW: Okay. Mr. Schube, do 24 you have any questions for Miss Tenney?</p> <p>25 MR. SCHUBE: This is somewhat unorthodox, but if</p>	<p style="text-align: right;">Page 23</p> <p>1 but since she received the suspended imposition of 2 sentence, it did not get reported as a conviction to the 3 Department of Revenue.</p> <p>4 MR. SCHUBE: Sorry. My question is more how, if 5 there's a BAC of .092, which is usually a standard 6 evidence of intoxication, how the Department of Revenue 7 didn't find intoxication.</p> <p>8 MR. COYNE: How did we win?</p> <p>9 MR. SCHUBE: Yes. That's what I'm driving at.</p> <p>10 MR. COYNE: That's a good question. I can't 11 remember exactly and I didn't bring my criminal file on 12 it. I just brought this file. I could supplement. Is 13 it -- do you have --</p> <p>14 MS. TENNEY: I don't remember how it went. It 15 was actually due to the report that the --</p> <p>16 MR. COYNE: She just checks that the evidence 17 was insufficient to find that the concentration of alcohol 18 in Petitioner's blood was at or above the limit required 19 by our Section number RSMo 302.505. That's how she checks 20 in her findings in her order.</p> <p>21 I think, if I recall right, it had something to 22 do with her BAC curve, where she was. She had drank 23 right -- right before getting into the car kind of thing. 24 It wasn't an all-day drinking thing, it was towards the 25 end. I think we won because of the BAC curve, if I can</p>
<p style="text-align: right;">Page 22</p> <p>1 Mr. Coyne could shed some light on how the DOR process 2 worked. If there's a .09 BAC, but yet no evidence of 3 intoxication, I don't quite understand that.</p> <p>4 MR. COYNE: What happened on that is when you 5 blow on a Breathalyzer, you have -- you go through the 6 Department of Revenue. There's a hearing that's done. 7 You can do it in person or you can do it on the telephone. 8 I conducted that particular phone hearing with a Beverly 9 Lafaver with the Director of Revenue. They're out of the 10 St. Louis office. And it's totally separate from the 11 criminal case.</p> <p>12 The prosecutor doesn't even care what happens. 13 They've got enough evidence otherwise through the Alcohol 14 Influence Report, you know, breath -- alcohol on your 15 breath, things of that nature, you know, slurred speech, 16 things -- boxes that they checked on that Alcohol 17 Influence Report.</p> <p>18 And we were fortunate enough to win at that 19 Department of Revenue level because the standard is only a 20 civil. It's a 51 percent standard, not beyond a 21 reasonable doubt. So we were fortunate to win there. She 22 did not lose her driver's license at all.</p> <p>23 Now, the -- there's a possibility she could lose 24 her driver's license. If she was convicted of the driving 25 while intoxicated, then that would have lost her license,</p>	<p style="text-align: right;">Page 24</p> <p>1 recall exactly.</p> <p>2 MR. SCHUBE: Okay.</p> <p>3 MR. COYNE: Yes. I hope that answers your 4 question, Mr. Schube.</p> <p>5 MR. SCHUBE: I think it does.</p> <p>6 EXAMINATION BY MR. SCHUBE:</p> <p>7 Q. And then, Miss Tenney, with your school, 8 typically you don't have full-time teachers with a 9 substitute certificate. Can you explain what position you 10 hold there and what they require of you as far as 11 licensure?</p> <p>12 A. Sure. I work at a private school in 13 Chesterfield and I hold a Master's degree, which I was 14 told would be enough to help me maintain employment there. 15 They are aware of my situation fully. They are aware that 16 I am here today and they have accepted what I am dealing 17 with and they support me fully.</p> <p>18 What is expected of me there, I do work 19 full-time, so I teach an AP government course, I teach an 20 AP United States course, a regular United States course 21 and three contemporary global issues courses. On top of 22 that, I am also an advisee to seven students.</p> <p>23 I hold afternoon homework -- homework sessions 24 to help students get through homework that they're finding 25 difficult or to help them organize or to help them create</p>

HEARING 1/27/2016

<p style="text-align: right;">Page 25</p> <p>1 planners to meet with other teachers so that they can 2 improve their grades. 3 I also help out with different sports events, 4 dances. I help out and volunteer at different events at 5 the school as well. All of the teachers at Barat Academy, 6 myself included, are all very, very active in the lives of 7 our students and in the life of the school itself and it's 8 one of the reasons that I love the school that I work at. 9 Q. What about as far as certification, what do they 10 require of you in that context? 11 A. As far as I'm aware, they have only required my 12 substitute certificate and my Master's degree. 13 Q. Okay. And if you were -- I don't know much 14 about private schools. Do they require certification at 15 all with the state? 16 A. I don't believe so, because they operate outside 17 of regular standards of public schools. 18 MR. SCHUBE: Okay. I think that's all my 19 questions. 20 HEARING OFFICER MORROW: Did you -- in regard to 21 her documentation that she's submitting, any -- 22 MR. SCHUBE: No objection. 23 HEARING OFFICER MORROW: Okay. We'll go ahead 24 and enter your evidence into the record. 25 MR. COYNE: Thank you.</p>	<p style="text-align: right;">Page 27</p> <p>1 HEARING OFFICER MORROW: Okay. I have no 2 further questions and if nobody else has any questions of 3 Miss Tenney, then we'll allow you to go ahead and make 4 your closing statement. 5 CLOSING STATEMENT BY MR. COYNE: 6 We asked to have this hearing today because we 7 thought there was more to explain, exactly what had gone 8 on in Miss Tenney's life and who she is. She's not a 9 criminal, she's not a convict, she's none of those things. 10 She made a very poor decision and it was so small and it 11 became so big, such as I see every day in my practice. 12 Most people I see are not bad people, they make bad 13 decisions and that's exactly what Stephanie did. 14 What we're asking this board to do is there are 15 many standards you can follow. There are many different 16 levels that you can do to discipline her. We're asking 17 that it be at that lowest level for a number of reasons. 18 Number one not only who she is, but who she's become since 19 this occurred. I think it's definitely changed her life. 20 There's no question. She learned the hard way, but her 21 character showed through and she completed all those 22 tasks. 23 She did more than most people get -- you could 24 do a lot of bad things in Warren County, sell drugs, you 25 name the crime, they don't make you go to jail. They do</p>
<p style="text-align: right;">Page 26</p> <p>1 HEARING OFFICER MORROW: Did you have any more 2 questions for your client? 3 MR. COYNE: Just closing. 4 HEARING OFFICER MORROW: Let me think. I was 5 thinking about a question. 6 EXAMINATION BY HEARING OFFICER MORROW: 7 Q. So what did you get your master's in? 8 A. I have a Master of Arts in Teaching from Webster 9 University. 10 Q. Okay. I think Mr. Schube ultimately asked the 11 question I wanted to ask. You're teaching high school 12 students? 13 A. Yes, ma'am. 14 Q. Okay. And how long have you been teaching? 15 A. This will be my third semester. 16 Q. Okay. And -- all right. And so then -- so 17 your -- you are applying for Missouri's educator 18 certificate? 19 A. Yes, ma'am. 20 Q. You were applying -- you've got your content 21 substitute? 22 A. Yes, ma'am. 23 Q. And so now you're going to the next stage 24 applying for the initial certificate? 25 A. Yes, ma'am.</p>	<p style="text-align: right;">Page 28</p> <p>1 when you wreck and somebody's injured. Any -- no matter 2 how small, no matter how small. 3 So I think her passion, you've seen it. I'd 4 hire her right now. She seems fantastic to me sitting 5 right here, what she's done, but I just think that we need 6 people like this. She doesn't have to have it because 7 she's got a great job where she is, but she wants it 8 because this is her passion, this is her dream. 9 So that's all that we'd ask when you sit down 10 with your committee or if it's just yourself and you make 11 your decisions, that you take all that into mind. 12 HEARING OFFICER MORROW: Okay. Thank you, 13 Counsel. 14 MR. COYNE: Thank you. 15 HEARING OFFICER MORROW: Mr. Schube. 16 CLOSING STATEMENT BY MR. SCHUBE: 17 First of all, I'd like to correct something I 18 inadvertently said in the opening statement. I said she 19 had three certificates and she, in fact, has one. That 20 was just a mistake I had made. Otherwise, the evidence 21 does establish that Miss Tenney is subject to discipline, 22 however the -- what discipline to be imposed is up to your 23 discretion and I just ask that you impose what you deem 24 appropriate. 25 HEARING OFFICER MORROW: Okay. Thank you.</p>

Recommendation for Stephanie Tenney

As President of Barat Academy, a private, independent faith-based high school and as a 42 year educator I highly support and recommend Stephanie Tenney. Missouri should be proud to have such an educator in our state.

Ms. Tenney always puts students first. She did her student teaching at Barat under a veteran teacher. Ms. Tenney absorbed any and everything she could so that her teaching style and the learning environment matched the needs of her students. A second semester position opened last year and without hesitation Ms. Tenney filled the spot. Parents and students alike were thrilled to learn that Ms. Tenney was hired.

Ms. Tenney engages each student in her classroom. She uses multiple strategies to make certain every student has the best learning strategy. Her classroom is orderly, welcoming, and energetic. Ms. Tenney is open to new ways of teaching and she is always seeking excellence in her teaching.

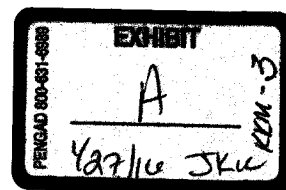

As an advisor Ms. Tenney is always mindful of each advisees progress, she communicates openly and thoroughly, and she holds expectations of each student high. Parents always comment on how well Ms. Tenney conducts parent-teacher conferences.

In any school environment there are those teachers who leave at the bell and those who turn off the lights each night. Ms. Tenney turns off the lights. She attends games and plays, chaperons dances, and stays to help any student who might need assistance with homework.

I know our Missouri educational system has a bright future when people like Ms. Stephanie Tenney become educators. I am proud to recommend her and I am certain that she will be a Missouri leader in education as she pursues her teaching career.

Respectfully submitted,

Debby Watson
President
Barat Academy

DESE Secondary Certification Committee,

October 21, 2015

I am writing this recommendation on behalf of **Ms. Stephanie Tenney** as the principal of the high school where she is employed full-time.

Please note: I asked her if I could write this recommendation – she did not ask me.

My knowledge and association concerning Ms. Tenney has been in a professional capacity as her principal for both her practice teaching and, since then, as her employer as I have hired her, full-time, since her graduation. She is an outstanding employee.

It should also be noted that, from before she ever started here, Ms. Tenney was 100% honest about her background, the driving incident in your county, the Suspended Imposition of Sentence, her court appearances, the results of those court appearances and all matters related to this unfortunate set of circumstances.

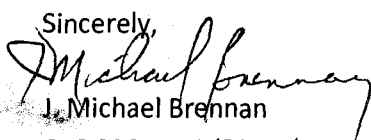

As an outstanding employee, Ms. Tenney, has always been to work on time, seldom, if ever, absent, is always well prepared for classes, supports the school in every way possible, goes above and beyond the minimal expectations of a job that, already, has many demands and expectations. She is excellent with the students, engages them appropriately both in her classes and outside of class. Ms. Tenney has even taken it upon herself to provide an after school work session every day from 3:10 to 4:30 for any students who may need help, a quiet place to study or just general supervision. Her colleagues and parents have lauded her for this opportunity and it has had a very positive impact on their grades and grade point averages. Clearly Ms. Tenney is someone who is vital and important to our community for all she brings and who goes above and beyond her general job description delivering a very professional experience on a daily basis.

Ms. Tenney has also been very professional about not discussing any of this matter with anyone other than a few very close friends and administrators as appropriate. There has never been an incident of any of this negatively affecting any aspect of her position here at Barat Academy.

It is without reservation and with great admiration that I would say I am very pleased to have her as one of my teachers and feel, not only has she learned her lesson from this, but that she has turned it into something very positive for herself and anyone who will listen to her concerning this incident.

If there is anything else you require or anything else I might provide to help Ms. Tenney with this unfortunate situation please let me know.

Sincerely,

 J. Michael Brennan

Dear Stephanie,

Thank you for having volunteered at Crossroads Elementary. Your time in the classroom was greatly appreciated.

You truly helped the Junior Achievement students connect what they are learning in school and what they will need to succeed in work and life through the sharing of your experiences, the utilization of your skills and abilities, and the access of the JA programs.

Again, thank you.

To Whom It May Concern:

My name is Tracie Roberson, and I have been a program manager for Junior Achievement for seven years, now, and have worked with numerous college students over the years, but none that have been as committed and dedicated as Stephanie Tenney.

Stephanie Tenney was a college student from Webster University when she participated in Junior Achievement. She participated in our organization in the 2013, 2014, and 2015 school years.

She volunteered in the Wentzville School District and completed 87 hours of instruction. She taught our educational programs to students in 13 classrooms. She has been an extremely devoted volunteer!

Stephanie was very professional and she inspired the students in many classrooms. She received numerous praises from her assigned JA teachers. She was an amazing, positive role model. Moreover, she was a volunteer that displayed integrity and respect to all of her teachers and students.

JA has placed Stephanie Tenney in high regard as a volunteer, and we look forward to having her partnership in the classroom as an educator in the future.

Thank you for your time and consideration.

Professional and Personal Recommendation for Stephanie Tenney
October 2015

As a classroom teacher with second graders and a reading specialist for over 30 years, I can confidently recommend Stephanie, whom I have known for over 20 years, as an enthusiastic educator, and as a caring, respectful, honest, responsible and young lady with an exceptional work ethic. I have always been impressed with her drive and putting her best into everything!

Having worked with Stephanie in my classroom on many occasions over the past few years, it would be very appropriate for her to be working with students. She spent the majority of her time planning highly effective lessons utilizing the Junior Achievement and Missouri Curriculum for Economics, Character Education, Community and Career Education and Social Studies. She is dedicated to doing an outstanding job with students, with parents, with the community, with the Junior Achievement partnership and with the school staff.

Stephanie's outstanding character, dedication, and positive personality were definite contributors to the successes of the children in my classroom. My students, during her time working with them, were respectful, motivated, empathetic and high performers. Her interpersonal relationships with the students assisted me in forming a great learning environment. Her natural ability to make students feel accepted as she lovingly worked with their academic and social needs, is just one of her many strengths.

Miss Tenney is highly respected at our school by students, peers, our second grade team, our students' parents and our administration. She worked in my classroom as a college student and as a volunteer. She worked in our school in many different capacities. Stephanie put in hours above and beyond the school day, did observations, provided hands-on assistance with our students and was always well prepared. Her ability to plan quality, differentiated lessons is a definite strength of hers. She is out-going, warm, friendly, honest, professional and sincere. Her smile lights up a room and is very contagious! Stephanie was an active learner when she was in my classroom!

Stephanie was and is striving to do her best to be a master educator! Above and beyond her Junior Achievement lessons, she helped with the classroom management, spelling, writing, science, literacy and math. The students and I really appreciated her and looked forward to the time she spent with us! I, too, learned so much from her, especially from her organization and her well-planned lessons! I would describe Stephanie's teaching techniques, content knowledge of state and district expectations, implementation of effective lesson plans utilizing instructional objectives and her ability to engage students as top-notch for a beginning educator! As she effectively and respectfully communicated with students to provide meaningful learning, I was always impressed with her positive presentation of lessons, how she provided on-the-spot assessment, how she developed re-teaching activities to meet varied learning styles and how well she knew our students' strengths and needs. She readily sought assistance and found interventions to help our students become self-motivated, life long learners. When she was in my class, she was observing and assisting me with, also, with reading strategies, mini lessons, phonemic awareness, guided reading, learning stations, leveled reading, character education,

on-going assessments, differential instruction, and many other literacy programs. She was an active learner with Singapore Math, the Junior Achievement Program for our social studies and our personalized spelling.

Stephanie Tenney comes with my highest recommendation! If I can be of any further assistance, please contact me at (314-374-8810). I would be honored to share many more specifics about Stephanie!

To whom it may concern,

It is my privilege to be Stephanie Tenney's university supervisor this semester at Barat Academy in Chesterfield MO. It has been so rewarding for me to watch Stephanie grow into the role of a classroom teacher. Stephanie has many great qualities and will, I believe, make a great teacher that any district would be proud to claim.

Stephanie works tirelessly to prepare herself for the classroom. She researches in depth each topic the class is studying and then decides on the best methods of presenting it. She is extremely creative in her approach and uses a variety of methods in her presentations. The days that I observed her, every student was engaged and enjoying the lesson. Also, I am very impressed with her classroom management style. She has a classroom presence that shows she is in control, but also that she deeply respects her students. In return, it is obvious that they respect her as well.

I believe that high school students need teachers who are attuned to the special needs of this age. Stephanie certainly is aware of the developmental stages of this age group. Not only does she understand them, but she likes this age group and genuinely cares about her students. She is extremely concerned that the students are successful in mastering the classroom material. However, she is also concerned that the students grow as individuals. She is aware of which students are experiencing problems and is willing to do whatever she can to help them.

It is always exciting for me to be a part of an individual's apprentice teaching. Stephanie is so enthusiastic and so wants to be the best she can be. She takes criticism well and will take any suggestions I offer and run with them. She is constantly questioning herself about how she can improve a lesson she taught. I have been extremely impressed with her and know that the future holds great things.

If I can be of further assistance, please feel free to contact me at (314) 740-4190. Stephanie will be a great addition to any school district and I would be happy to discuss this with you.

Yours truly,

To Whom It May Concern:

It is with great pleasure that I recommend Stephanie Tenney. I first met Stephanie eight years ago when she and my son were sophomores at Lindenwood University. I have been trained as an educator and worked at both the High School and University level. So it is with absolute certainty that I tell you Stephanie has exhibited all of the personnel traits and characteristics we are looking for in our next generation of educators.

It gives me great pleasure to see what an outstanding young lady Stephanie has become. Stephanie exhibits a high degree of integrity, responsibility, ambition and is a consummate team player. She is definitely a leader not just a follower. She has always demonstrated that she does not require immediate supervision to accomplish the tasks she has been given. In addition to her excellent scholastic accomplishments, she has proven her leadership ability in the different part time jobs she has held while working to complete her degrees.

Stephanie has also expressed to me an interest in helping sponsor after school activities. She is someone that you can always count on to keep her word and follow through on any commitments she has made. Her good judgment and mature outlook ensure a logical and practical approach to her endeavors.

Stephanie would be an asset to any organization, and I highly recommend without any reservation that Stephanie Tenney be selected for a student teaching position to complete her certification requirements. If you have any further questions about Stephanie please feel free to call me at 314 368-4206.

Sincerely,

Dear Stephanie,

The Registrar's Office's records indicate that you have recently graduated or left Webster University. Federal regulations require us to conduct an Exit Interview with all Student Loan borrowers upon leaving school. Studies show that providing repayment information early and accurately reduces the number of students who default on their loans. In order to fulfill this requirement, you will need to complete an exit interview.

You may complete the Direct Loan exit counseling online by selecting "EXIT Counseling" at the US Department of Education's website: <http://www.nslds.ed.gov> then selecting "START" under Loan Exit Counseling. You will be required to enter your Social Security Number, the first two letters of your last name, your date of birth, and your Federal PIN which you would have used to complete the FAFSA. If you don't know your PIN, you may obtain it at www.PIN.ed.gov

The Office of Financial Aid is pleased that we were able to help you secure a student loan to finance your education at Webster University. We want you to know that after you leave our institution, we are still available to assist you or provide whatever guidance possible regarding your student loans. Please contact our office or your local campus if you have any questions.

Sincerely,

To: Students Graduating (or Graduated) in Academic Year 2014-2015

From: Office of Academic Affairs, Webster University, St. Louis

RE: 2015 Commencement Information

Date: March 16, 2015

As our Academic Year (2014-2015) comes to a close in May, we are pleased to reach out to our current year graduates with congratulations and an invitation to attend the St. Louis General Commencement Ceremony.

You are receiving this memo because you:

1. Have already graduated in a term in the current Academic Year. (This includes graduates of August 2014, October 2014, December 2014, and March 2015.) *OR*
2. Intend to graduate in May 2015.

This year, we expect more than 6,300 students to graduate from Webster University locations around with U.S. and the world with bachelor's, master's, and doctoral degrees or with certificates in specialized areas. Upon graduation, you will join our global network of more than 172,000 alumni. Again, congratulations on this important milestone!

Graduation Steps and Requirements

Graduates of Academic Year 2014-2015 are those who:

- 1) have completed their degree requirements, *AND*
- 2) have submitted a petition to graduate, *AND*
- 3) have been (or will be) audited by the Registrar to confirm their degree completion; upon confirmation, the Registrar updates student transcripts to reflect the completion of the degree.

If you graduated August 2014, October 2014, or December 2014, these three steps have been completed. If you are graduating in March 2015, the Registrar's Office is in the process of auditing degrees (Step 3 above). If you intend to graduate in May 2015, you will have completed Steps 1 and 2; your transcript will be audited and your degree completion confirmed beginning in May (once the term is completed).

Diplomas

Diplomas are generally mailed to students from the Registrar's Office in St. Louis within 10-12 weeks of the end of the term. If you graduated in August 2014, October 2014, or December 2014, you will have received your diploma. (If you have not received your diploma, please contact the Registrar's Office at registraroffice@webster.edu.) If you are graduating in March 2015 or in May 2015, you will receive your diploma through the mail within 10-12 weeks of the completion of your degree.

Commencement

As a global university with a network of campuses around the United States, Europe, Asia and Africa, we have many commencement ceremonies at locations throughout the year. However, we are pleased to extend the invitation to all students – in St. Louis, at our metropolitan and military locations around the U.S., at our international campuses, and online – to attend our May Commencement in St. Louis on Saturday, May 9 at the MUNY. The MUNY is America's oldest and largest outdoor musical theatre located in Forest Park in St. Louis.

In St. Louis, we hold one large General Commencement Ceremony for all graduates. Each of our five schools or colleges also has a formal ceremony immediately after the General Commencement Ceremony.

The General Commencement Ceremony begins at 8:45 a.m. with a formal procession of degree candidates, faculty, administration, trustees, and honored guests into the MUNY. The main ceremony will begin at 9:30 a.m. This ceremony features all the pomp and circumstance of a traditional Commencement ceremony: The parade of international flags, remarks from the President and Provost, the conferral of honorary doctoral degrees, and an address from this year's commencement speaker, Jenifer Lewis. Ms. Lewis is an actor, singer, community activist, St. Louis native and Webster alumna. Other events are scheduled, too – a full list of activities and the schedules can be found on the commencement website (Webster.edu/commencement).

We congratulate you on this important milestone and look forward to seeing you at Commencement or at a Webster alumni event in the future.

II. Risk Assessment

A. Present Offense Information

Offense Summary:

On 3-29-14, an officer with the Missouri State Highway Patrol was dispatched to a two vehicle crash with injuries in Warren County, Missouri. Once at the scene the officer observed a Ford vehicle in the grassy area off the road and a Jeep stopped in the center of the roadway.

The officer made contact with the driver of the Jeep, Stephanie Tenney. She was upset and crying. When asked if she had been drinking she stated that she had a couple glasses of wine. The officer detected a moderate odor of intoxicants coming from her person. The rear passenger of the Jeep, Jamie Sansone, was transported to the hospital after having a laceration to her face.

The investigation revealed that the Ford was stopped at a stop sign when the Jeep failed to slow down and crashed into the rear of the Ford, pushing it off the roadway. When Tenney was questioned, she stated that she didn't see the Ford had stopped. She stated that her sister had asked her for something and she took her eyes off the road for a minute. Tenney then stated that she was reaching for her cell phone. She was again asked how much she had to drink and she replied, "Maybe like two glasses of wine". A preliminary breath test

Name: TENNEY, STEPHANIE

DOC ID: 1281232

showed positive for the presence of alcohol.

After being placed under arrest, Tenney provided a chemical test of her breath and the results were a blood alcohol concentration of 0.092%.

The occupants of the Ford were identified as Keith and Kimberly Burge and Amy McGhee. Kimberly was taken to the hospital and diagnosed with a large contusion to her lower back. Amy McGhee went to see her doctor and was diagnosed with a concussion.

The passenger in Tenney's vehicle, Jamie Sansone, was taken to the hospital and diagnosed with lacerations to her forehead and a corneal laceration.

Offender's Version:

When the defendant was questioned by this writer in regard to her involvement in the present offenses, she stated that she agreed with the contents of the police report and that she admitted guilt in this case. Tenney went on to add that she, her sister and her friend Jamie Sansone had driven to the wineries. She advised that they were there from approximately 3:00 to 9:00 p.m. and while there she consumed two glasses of wine. She acknowledges her mistake was drinking one of the glasses of wine just shortly before they left and she began driving.

Tenney stated, "I didn't set out to do this. I am so sorry. I was trying to be responsible but it was a mistake not stopping earlier. I am so thankful no one was killed. I have definitely learned my lesson".

Co-Defendants: None

B. Criminal History

C. Victim Impact

Victim Name(s):

The victims in this case are identified as Keith and Kimberly Burge and Jamie Sansone.

D. Offender Asset and Liability Assessment

Risk Assets:

- No prior unrelated misdemeanor or felony findings of guilt.
- No prior prison incarcerations.
- Has gone five years without a finding of guilt or incarceration.
- No prior revocations of probation or parole.

-Gainfully employed.

The defendant graduated from Wentzville Holt High School in 2006. The following fall she enrolled in classes at the University of Missouri but withdrew after one semester due to not feeling comfortable there. After taking a semester off, Tenney transferred to Lindenwood University. She graduated with a Bachelor's of Arts Degree in history in 2010. On 12-20-14, Tenney graduated from Webster University with a Master's Degree in education with a grade point average of 3.62.

While in college, Tenney student taught at Barat Academy High School in Chesterfield, Missouri. In January of 2015, the school offered her a position as an adjunct teacher. At the present time Tenney is teaching two classes at the high school in contemporary global issues. She is paid a base salary of \$5,000.00 for this year. She is unsure will be offered a contract for the 2015/2016 school year.

Tenney provided this writer with a letter from the Director of Finance and Business Operations of Barat Academy, Michael Albrecht. This documentation verified the defendant's employment. It also notes that should Tenney be unable to fulfill her contract with the school for the remainder of the year that this would have an adverse impact on the students she teaches.

Tenney is unsure how the convictions for the present offenses will effect her teaching certification. She advised that the Department of Education is currently withholding a ruling until the present offenses are disposed of. She will then consider appealing if the decision is ruled against her.

The defendant does not present with a current substance abuse problem. She denies ever using, or even ever trying, any form of illegal drugs. She relates that she first tried alcohol at the age of 20 and prior to her arrest in this case she consumed approximately one glass of wine a week. She denies that her drinking has ever been problematic outside of her arrest for the present offenses in this case. Since her arrest, Tenney stated that she has a glass of wine with dinner approximately once per month but that she has not drank to intoxication since.

The defendant has never been involved in any form of substance abuse treatment and denies being in need of the same. With that being said, Tenney acknowledged that she may be required to abstain from alcoholic beverages if granted probation and to also attend some form of treatment. She indicates that she will willingly follow any and all conditions of probation.

Tenney has completed the Substance Abuse Classification Analysis test and scored in the Episodic Abuse range.

According to the Itemized Listing of Offender Risk Components Scale authored by the Missouri Sentencing Advisory Commission, Tenney has no identifiable risks at this time.

mother sells insurance. Her older sister is employed as a pharmacy technician. Tenney relates that she shares a close relationship with everyone in her family.

The defendant has never been married, is not involved in a current paramour relationship and has no children.

Tenney is currently active in a program called Junior Achievement, a volunteer teaching program. Tenney has verified that she has participated in this program for the past three years. She has already completed 80 hours in the Wentzville School District and plans on performing 20 more hours a year in the future.

Tenney states that she was diagnosed with anxiety in 2009 by her medical doctor. She was initially prescribed Prozac and after switching medications several times she is currently taking Lexapro, which she describes as very helpful.

The defendant has been back residing in the home of her parents since graduating from college. She plans on staying there for the foreseeable future. This writer has contacted the defendant's mother and verified this home plan. Mrs. Tenney related that she has never known her daughter to have any form of substance abuse problem and that she feels Tenney simply made a very poor error in judgement in this case.

Docket No: WARR0020

Case Number: AD14005578

License Number: [REDACTED]

Dear Madam:

We have received your request for a hearing. The hearing has been set for **May 27, 2014**, at **02:30 PM** and will be conducted by telephone. To begin the hearing you must call **800-248-4238** and state that you are calling for your hearing. The hearing officer will then begin the hearing.

If you have a good reason why you cannot call on the date and time of the hearing, you must send this reason in writing. The request must be postmarked at least six days before the date of your hearing. The request should be mailed or faxed to Charles L. Gooch at the above address or fax number. You will be notified if your request is accepted or denied.

Before your hearing, you and/or your attorney should review the documents regarding your case. These documents have been mailed to your attorney. If you have no attorney, these documents are enclosed. These are the documents the hearing officer will be reviewing at the time of the hearing.

The issue at the hearing is to decide if there was probable cause to believe you were driving with a blood alcohol level over the legal limit. (Section 302.505, RSMo)

Failure to call at the above date and time, or obtain a new hearing date, will result in the loss of your driving privilege and will stop any further review.

Please see the choices on page two, which you may use instead of the telephone hearing.

If you select one of the choices listed on page two, please return page two to Charles L. Gooch at the above address or fax number. Keep this page for your records.

Sincerely,

Charles L. Gooch, Managing Counsel

OFFICER'S NARRATIVE

1. On Saturday, March 29, 2014, at approximately 2212 hours, I arrested Stephanie A. Tenney, date of birth April 18, 1988, for Operated a Motor Vehicle in a Careless and Imprudent Manner - Involving an Accident, Operated Motor Vehicle While in an Intoxicated Condition, and Assault Second. The arrest occurred at the intersection of Schreckengast Road and South Stringtown Road, in Warren County, Missouri, during a crash investigation.

2. On Saturday, March 29, 2014, at approximately 2117 hours, Troop C Radio dispatched me to a two vehicle motor vehicle crash, with injuries, at the intersection of Schreckengast Road and South Stringtown Road, in Warren County, Missouri. I responded to the location and arrived at approximately 2127 hours. When I arrived on scene, members of the Warren County Sheriff's Department, Warren County Fire Department, and Warren County Emergency Medical Services were all ready on scene. I observed a gray Ford passenger car in a grassy area, off the west side of South Stringtown Road. I also observed a black Jeep sport utility vehicle stopped in the center of the roadway on South Stringtown Road, at Schreckengast Road.

3. I exited my patrol car and made contact with the driver and passengers of the Ford passenger car. I identified the driver as Gregory J. Becker, date of birth November 30, 1966. The front right passenger was identified as Janet S. Becker, date of birth June 17, 1967. The rear right passenger was identified as Kimberly A. Burge, date of birth January 19, 1970. The rear center passenger was identified as Lindsey N. Schindler, date of birth April 18, 1989. The rear left passenger was identified as Amy L. McGhee, date of birth August 26, 1975. When asked what happened to cause the crash, Gregory Becker stated, "I was stopped at the stop sign. I turned on my blinker. I got rear ended and pushed across the road."

4. After speaking with Gregory Becker, I made contact with the driver of the Jeep sport utility vehicle, later identified by Missouri driver's license as Stephanie A. Tenney, date of birth April 18, 1988. The female driver was sitting in a grassy area on the west side of South Stringtown Road. She was obviously upset, crying, and speaking on the phone when I made contact with her. I asked her if she was the driver of the Jeep and she stated she was. I asked her if she had been drinking and she stated, "A couple of glasses of wine, not a ton." I also made contact with the other passengers of the Jeep. I contacted the front right passenger and identified her by word of mouth as Megan M. Tenney, date of birth January 30, 1985. I contacted the rear right passenger inside the Warren County Ambulance, and identified her by Missouri driver's license as Jamie L. Sansone, date of birth September 21, 1984. Sansone had a large amount of blood on her face when I spoke with her. She was later transported to St. Josephs Hospital West, in Lake St. Louis, Missouri, by Warren County Ambulance.

5. After speaking with the drivers and occupants of the vehicles, I conducted my crash investigation. Based on the evidence at the scene and statements made by the drivers, I determined both vehicles were on westbound Schreckengast Road at the time of the crash. The Ford Fusion, displaying Missouri registration PH4Y2L, was stopped at the stop sign at the intersection of Schreckengast Road and South Stringtown Road. The Jeep Compass, displaying Missouri registration YG8B3E, was approaching the intersection on Schreckengast Road. The crash occurred as the Jeep failed to slow down at the intersection and struck the rear of the Ford with its front left. The Ford was pushed across South Stringtown Road and off the west side of the roadway. The Ford came to final rest in a grassy area, facing southwest. The Jeep continued through the intersection and came to final rest, facing west, in the center of South Stringtown Road.

6. I contacted Stephanie Tenney again and asked she accompany me to my patrol car and she complied. Tenney was still very upset. Once inside my patrol car, I began speaking with Tenney. As we spoke, I noticed a moderate odor of intoxicants coming from her breath. Tenney provided me with her Missouri driver's license. Tenney continued to cry and be very upset. I told Tenney she needed to calm down, take deep breaths, and not talk for a little while so she could compose herself. After Tenney composed herself, I asked her what happened to cause the crash. Tenney stated, "I was driving down the road. I just didn't see her stopped. My sister had asked me to look for something and I looked down for a second. All of a sudden, Jamie said she was stopping. I tried to hit my brakes and I turned. I didn't notice it until it was too late." I asked Tenney what she had reached for to cause her to look away from the road and she stated she was reaching for her cell phone.

OFFICER'S NARRATIVE

I again asked Tenney how much she had drank and she stated, "Maybe like two glasses of wine."

7. I informed Tenney I would like for her to perform the Horizontal Gaze Nystagmus test. I asked Tenney if she had any problems with her eyes I would need to know about. Tenney stated she did have some issues with her vision, hearing, and balance. She stated she had an appointment for testing and could provide proof. I placed my finger in front of Tenney's eyes and asked if she could see it. Tenney stated she could. I informed Tenney of the instructions for the test and when asked if she understood, Tenney stated she did. While informing Tenney of the instructions for the test, I observed her eyes to be watery and bloodshot. Her pupils were of equal size. Tenney had lack of smooth pursuit in both eyes and distinct nystagmus at maximum deviation in both eyes.

8. I asked Tenney how many grades in school she had finished. Tenney stated she had completed high school and nearly eight years of college. I asked Tenney if she could recite her Alphabet and she stated she could. Tenney recited the Alphabet correctly. I asked Tenney if she could count to 100 and she stated she could. I asked Tenney if she could count backward from 87 to 76. Tenney counted backward correctly from 87 to 76.

9. I asked Tenney if she had any issues with her legs or her back that would prevent her from performing walking tests. Tenney stated she did have issues with her balance. I asked Tenney if she would be willing to perform balance tests and she stated she would. The following two tests were performed on a hard, flat, non slippery, asphalt surface. They were performed on South Stringtown Road. The instructions for the tests were read from a NHTSA approved Standard Field Sobriety Test Administrative guide. I asked Tenney to exit my patrol car and she complied. I shut off the emergency lights on my patrol car.

10. The next test I asked Tenney to perform was the Walk and Turn test. I asked Tenney to imagine a straight line, approximately four inches wide, extending straight out from her left foot. I instructed Tenney to place her left foot on the line, with her right foot in front of it and her right heel touching her left toe. Tenney complied and then immediately began taking steps as if she was beginning the test. I asked Tenney to return to the starting position. I informed Tenney of the instructions for the test and demonstrated it for her. When asked if she understood the instructions for the test, Tenney stated she did. I instructed Tenney to begin the test. Tenney paused on step two to regain her balance and leaned to the right. After turning, Tenney stopped again and asked, "Do I turn and count back?" I instructed Tenney to do so. Tenney stepped off the line on steps two, four, and five. On step five, she lost her balance, swayed to the right, and raised her arms from her side to steady herself.

11. The next test I asked Tenney to perform was the One Leg Stand test. I informed Tenney of the instructions for the test and demonstrated it. When asked if she understood the instructions for the test, Tenney stated she did. I instructed Tenney to begin the test. Tenney stood on her left foot and raised her right foot off the ground. Tenney placed her foot down at approximately 18 seconds. Tenney took several seconds before she raised her right foot off the ground again. Tenney completed the test. I asked Tenney to return to my patrol car and she complied.

12. Once back inside my patrol car, I asked Tenney to take a Preliminary Breath Test. The test was given on an Intoxilyzer SD-2, manufactured by CMI Incorporated. A previously unused test tube was used. I set up the instrument and asked Tenney to provide a sample of her breath. Tenney provided a sample of her breath and the result of the test showed positive for the presence of alcohol.

13. I exited my patrol car and walked to the passenger's side. I opened the passenger's door and asked Tenney to exit and turn around and place her hands behind her back. Based on my observations of Tenney, the motor vehicle crash, the odor of intoxicants, her performance on the field sobriety tests, and the positive result of the Preliminary Breath Test, I concluded Tenney was intoxicated. At approximately 2212 hours, I placed Tenney under arrest for Driving While Intoxicated. I placed Tenney in handcuffs, checked for tightness, and double-locked them. Tenney was placed in the front passenger's seat of my patrol car and secured with a seatbelt. Tenney's vehicle was towed from the scene by A and A Towing out of Wright City.

14. I transported Tenney to the Warren County Jail. While en route, I informed Tenney of her Constitutional Rights, per Miranda, at approximately 2215 hours. When asked if she understood her rights, Tenney stated she did. Once at the jail and inside the facility, I began my 15 minute observation period of Tenney, at approximately 2230 hours. I informed Tenney of the Missouri Implied Consent Law and when asked if she would consent to a chemical test of her breath, Tenney stated she would. Once the 15 minute observation period was up, I set up the DataMaster following the instructions on page two of the Alcohol Influence Report. After setting up the DataMaster, Tenney provided a sample of her breath, at approximately 2254 hours. The result of the test showed Tenney's blood alcohol concentration to be .092 percent. An evidence ticket was printed showing the result of the test. After taking the test, Tenney answered the interview questions on page three of the Alcohol Influence Report.

15. I issued Tenney citation number 701210219 for Operated a Motor Vehicle in a Careless and Imprudent Manner - Involving an Accident and citation number 701210220 for Operated Motor Vehicle While in an Intoxicated Condition - Alcohol - First Offense. The citations were set in the Warren County Associate Circuit Court, Division II, of Judge Scheibe. Tenney was given a court date of Monday, May 12, 2014. I also informed Tenney I would be seeking charges through, the Warren County Prosecuting Attorney's Office, for Assault Second. Tenney was fingerprinted and photographed at the jail. She was released to the custody of the Warren County Jail staff.

16. On Tuesday, April 1, 2014, I was contacted by Keith Burge, the husband of Kimberly Burge, one of the occupants of the Ford passenger car involved in the motor vehicle crash. Keith Burge informed me Kimberly Burge had been taken to St. Joseph's Hospital West after she returned home from the crash. On Sunday, March 30, 2014, Kimberly Burge was diagnosed with back pain and a large contusion on her lower back after seeing Doctor David Poggemeier. Keith Burge also informed me Amy McGhee, another one of the occupants in the vehicle, had gone to the doctor with injuries.

17. On Tuesday, April 1, 2014, I contacted Amy McGhee, an occupant in the Ford passenger car, and she informed me she was taken to Internal Medicine at Winghaven, located in O'Fallon, Missouri, by Kathy Tomkins, on Monday, March 31, 2014. She stated she was unable to see her doctor, but was seen by the Nurse Practitioner, Jenna Sanders, and was diagnosed with a concussion.

18. On Saturday, April 5, 2014, I contacted Jamie Sansone, the injured passenger in the Jeep sport utility vehicle. Sansone informed me she was originally transported to St. Joseph's Hospital West, in Lake St. Louis, Missouri, and was diagnosed with lacerations to the forehead. She was not sure of the name of the doctor she saw. Sansone stated she went from St. Joseph's Hospital West to Barnes-Jewish Hospital, in St. Louis, Missouri, where she was seen by Doctor Eliza Halcomb, and was diagnosed with a corneal abrasion and a corneal laceration.

I understand that I have been assigned to the SATOP level indicated below:

PROGRAM LEVEL	PROGRAM DATE
Offender Education Program (OEP)	*
Adolescent Diversion Education Program (ADEP)	
Weekend Intervention Program (WIP)	
Clinical Intervention Program (CIP)	
SROP / Level IV Treatment	
Youth Clinical Intervention Program (YCIP)	

- ☒ The SATOP assignment has been explained to me, I have been given a copy of the assignment in writing, and I understand that I will receive the formal SATOP Offender Assignment Form within three to five business days following my screening;
- ☒ I have been given information regarding my right to a "second opinion", to a "Judicial Review" of my SATOP referral, and have been given a copy of the Grievance Procedure.
- ☒ I have been given a current list of area agencies which includes certified SATOP programs that offer the level of service to which I have been referred.
- ☒ If referred to the WIP or CIP or YCIP or SROP / Level IV Treatment, I have been given materials and instructions regarding Missouri's Standard Means Test.
- ☒ I have been told that the assessment screening shall be valid for six months from the date of the initial screening. If I do not complete the SATOP assignment within these six months, it will be necessary for me to repeat the screening process and pay a second OMU service fee; (but no additional \$249 supplemental fee).
- ☒ I have been told that if I schedule a class today and fail to be present a no-show fee will be assessed. Education classes (OEP or ADEP) will be assessed a \$10 rescheduling fee and the Clinical Intervention Program or Level IV Treatment will be assessed a \$25 rescheduling fee.
- ☒ I have been told that, should I give false information, this SATOP experience will be voided, and that I will not be eligible for state financial support for future SATOP requirements which stem from my current DWI offense.
- ☒ I have been told that if I receive another DWI after the assessment screening, but before completion of the SATOP, it will be necessary for me to repeat the assessment screening process, pay an additional OMU service fee and the \$249 supplemental fee, and complete whatever level of the SATOP is recommended at the time.

CRITERIA FOR SUCCESSFUL COMPLETION OF THE SATOP

- A) Be free of the influence of mood-altering substances at every session.

- C) Attend sessions in their proper sequence unless approval for an alternate sequence is obtained.
- D) Complete all assignments and cooperatively participate in all activities;
